

FRONT DIFFERENTIAL SHIPPING INFORMATION & INSTRUCTIONS

THANK YOU for your recent purchase of a front differential rebuild from SANDCRAFT!

Please read the instructions below on how to ship your front differential to us:

1. Remove the front differential from the vehicle.
2. Drain ALL of the oil from the differential (oil and cardboard do not mix).
3. Wrap the differential in plastic/towel. Take care to protect the electrical connector.
4. Place differential in a shoe box or similar size box.
5. Place that box in a larger box and surround with bubble wrap, peanuts or other padding.
6. Please put a copy of your receipt in the box to help us identify the differential. If you do not have a receipt, please include your name and number in the box.
7. Ship your differential to the address below:

SANDCRAFT MOTORSPORTS
4025 E MADISON
PHOENIX, AZ 85034

We will contact you if there are any issues with the rebuild. If there are no issues, we will perform the rebuild you selected and return ship your differential to you as soon as possible. When we return ship to you, you will receive a tracking number sent to the email address you provided at the time of purchase.

Turnaround time is about 10 business days, on average, from the day we receive your differential to the day it ships back out to you. Rest assured our team is working diligently to minimize your machines downtime during repairs.
